Description

The Fairway 41 Off-Shore Game and SportfishingThe New Fairway 41 Off-Shore has been designed from the keel up for serious Game and sports fishing. The Variable Deadrise hull has a deep fine entry and around 19 degrees of V aft giving the boat a soft dry ride in rough conditions and very stable fishing platform at slow speeds. Performance is excellent from twin Cummins QSC 550 HP diesels which provide well over 30 Knots top speed and economical cruise of 20 to 24 knots at around 100&nbsp; Litres per Hour. Slow speed maneuverability is sensational and the performance out of the hole is awesome.The cockpit is large and well designed for serious fishing. The transom live boat well is easy to access and has a window for bait viewing. There are 2 large underfloor insulated kill tanks which are removable and another rear removable bin which allows access to the steering gear. Forward in the cockpit there is a large refrigerated ice box and also a baiting station with sink and plenty of bench space for rigging. Heavy duty rod holders and a rod rocket launcher are fitted. The flybridge has a tournament helm and excellent electronics stand up array for multiple screens. There are 2 quality helm chairs and around the forward end of the bridge is a wraparound lounge which offers seating for guests. A substantial hardtop with Stainless steel supports and quality Strata Glass clears is fitted for all weather protection.Internally the New Fairway 41 Offshore has a complete personality change! The luxurious interior provides spacious and comfortable living for a crew or cruising couple and family. Forward is a large ownerâ€™s cabin with queen Island bed, hanging lockers, Storage drawers and its own ensuite bathroom. Slightly aft is a crew or guest cabin which has 2 large single bunks and wardrobe. Across the passage opposite is a second bathroom. The galley is slightly lower than the saloon level and has excellent storage and bench prep area as well as Electric Cook-top, Twin Fridge and Freezers and microwave oven.&nbsp; The saloon has 2 large L shaped lounges and the aft one has a dining table. The saloon is spacious, light and airy. The interior is fitted with light coloured Ash timber and quality linings. A dÃ©cor package with Blinds, Bedspreads and cushions etc is included. A whisper quiet 7 KW generator and dual air conditioners complete the package.
