Description

The All new Fairway 43 SedanDesigned to offer the very best in cruising boat comfort and economy. The Fairway ECO Cruise hull shape provide all new Fairway 43 SedanDesigned to offer the very best in cruising boat comfort and economy. The Fairway ECO Cruise hull shape provides serious offshore cruising ability, remarkably economical cruising and outstanding accommodation for up to 6 in luxurious surroundings.The galley is equipped with electric hotplates and Fridge Freezer as well as microwave oven and has plenty of storage for provisions if coastal cruising. To port in the saloon is a large L shape settee with dining table. The rear cabin doors open up right across the boat so that the saloon flows out to the cockpit offering a huge living and lounging area. The cockpit has built in seating across the stern and removable table for entertaining or dining outside. The Hardtop almost completely covers the cockpit and has side covers so that it can be used in all weather.Access to the bow is now safer and easier as we have added walk around side decks through to the bow. A centre rear cockpit door opens ...
